Important Questions	Answers	Why This Matters:
What is the overall deductible?	\$0.	See the Common Medical Events chart below for your costs for services this plan covers.
Are there services covered before you meet your deductible?	Yes. <u>Preventive care</u> and services listed in your complete terms of coverage.	This plan covers some items and services even if you haven't yet met the deductible amount. But a <u>copayment</u> or <u>coinsurance</u> may apply. For example, this plan covers certain <u>preventive services</u> without <u>cost-sharing</u> and before you meet your deductible. See a list of covered <u>preventive services</u> at healthcare.gov/coverage/preventive-care-benefits .
Are there other deductibles for specific services?	Yes. Prescription: \$25 per individual / \$75 per family on brands only	
What is the out-of-pocket limit for this plan?	\$1,500 per individual / \$3,000 per family for participating providers.	The <u>out-of-pocket limit</u> is the most you could pay in a year for covered services. If you have other family members in this plan, they have to meet their own <u>out-of-pocket limits</u> until the overall family <u>out-of-pocket limit</u> has been met.
What is not included in the out-of-pocket limit?	<u>Copayments</u> for certain services, <u>premiums</u> , <u>balance-billing</u> charges, and health care this plan doesn't cover. Prescription: \$5,100 per individual / \$10,200 per family for participating providers	Even though you pay these expenses, they don't count toward the <u>out-of-pocket limit</u> .
Will you pay less if you use a network provider?	Yes. See blueshieldca.com/fad or call 1-855-599-2650 for a list of <u>network providers</u> .	This plan uses a <u>provider network</u> . You will pay less if you use a <u>provider</u> in the plan's network. You will pay the most if you use an <u>out-of-network provider</u> , and you might receive a bill from a <u>provider</u> for the difference between the <u>provider's</u> charge and what your plan pays (<u>balance billing</u>). Be aware, your <u>network provider</u> might use an <u>out-of-network provider</u> for some services (such as lab work). Check with your <u>provider</u> before you get services.
Do you need a referral to see a specialist?	No.	You can see the <u>specialist</u> you choose without a <u>referral</u> .
