**"Custody" = RESPONSIBILITY**

<b>1. Physical custody:</b> 	<b>2. Legal custody:</b> 
--	---

---

---

---

---

---

---

---

---

---

---

Slide 10

**#1:  
PHYSICAL CUSTODY:**

- Based on who is *responsible* for the child on the day-to-day level?
- Based on how much time the child spends with each parent
- Determines where the child will live: "you," "me," or "us"

---

---

---

---

---

---

---

---

---

---

---

---

Slide 11

**PHYSICAL custody:  
can be ordered as either:**

JOINT:	SOLE TO ONE PARENT:
<ul style="list-style-type: none"> <li>◦ Child spends a significant amount of time in each parent's home</li> <li>◦ Does not have to be 50/50 in order to be joint physical custody</li> </ul>	<ul style="list-style-type: none"> <li>◦ The child lives with and is under the supervision of one parent and the other parent has "visitation"</li> </ul>

---

---

---

---

---

---

---

---

---

---

---

---

Slide 12

**VISITATION:** Times when non-custodial parent has the children and is fully responsible for them

- Ex.: Every other weekend and one evening during the week
- "Supervised" visitation means that a neutral third party is present during visitation:
  - Done by court order
  - Due to drug, alcohol or physical abuse; mental health problems; or long period of no contact with children

---

---

---

---

---

---

Slide 14

**Looking for what is the BEST INTERESTS of the child...**

Try to create the ideal "parenting plan" or "timeshare schedule"

- What kind of parenting structure is age appropriate?
- What does the child need?
- What can each parent offer and when?

**#2: LEGAL CUSTODY:**

Decisions, decisions, decisions regarding child's health and welfare:

- Which childcare provider or which school?
- Which doctor or dentist?
- Get vaccinations?
- Go into therapy? With whom?
- Become baptized or have a bar mitzvah?

---

---

---

---

---

---

---

---

---

---

Slide 16

**LEGAL custody:**  
can be ordered as either:

<p><b>JOINT:</b></p> <p>JOINT: Both parents share the right and responsibility to make the decisions about the child's health, education and welfare</p> <p>- Success depends on...</p> <ul style="list-style-type: none"><li>- Communication and</li><li>- Cooperation</li></ul>	<p><b>SOLE TO ONE PARENT:</b></p> <p>SOLE: One parent has the sole right and responsibility to make the important decisions for the child</p> <p><b>Q: Did you know that the parent without legal custody still has the right to access records and information, including medical, dental and school records? (Family Code 3025)</b></p>
---	---

---

---

---

---

---

---

---

---

---

---

Slide 17

Joint legal custody can be ordered in writing as:

- Just "joint legal custody": This means that EITHER parent can make decisions for the minor child

OR

- "Joint legal custody" ordered WITH ADDITIONAL language regarding how the responsibility is shared. In this way, BOTH parents must consult and agree with each other on the decision. Look at form FL-341(e) Joint Legal Custody Attachment.

Slide 18

**Summary of custody order options:**

<p><b>Joint legal AND physical custody</b> (both parents)</p>		<p><b>Sole physical and legal custody to one parent</b> (other parent has the right of visitation)</p>

**"Best interests of the child"**

**GOAL:** *Want stability and continuity for the child*

- Look at **who can provide for the basics: Food, clothing, shelter, safety and love**
- Look at **the child's basic needs, age, health, personality, experiences and abilities**
- Look at **the emotional ties between each parent and child**

---

---

---

---

---

---

---

---

---

---

Slide 20

**"Best interests" continued...**

Look at **degree of cooperation between parents: Which parent will allow frequent and continuing contact by the kids with the other parent?**  
Look at any **history of domestic abuse**

Slide 25

**Your goal in getting court orders...**

You want a **SPECIFIC and DETAILED** parenting plan:

- Who has physical custody?
- Who has legal custody?
- Who transports?
- Where are the pick-up and drop-off locations?
- Who gets holidays and breaks?

**Remember: The purpose of an order is to bring order to your lives!**

---

---

---

---

---

---

---

---

---

---

---

Slide 26

**Domestic abuse and custody:** 

**Rebuttable ("yay, but your honor...") presumption against giving custody to the domestic abuse perpetrator:**

- Abuse within the past 5 years
- Regarding **sole or joint physical or legal custody**: Court can assume that custody to the perpetrator would be detrimental to the child's best interest (**Fam. C. §3044**.)

**How to overcome the presumption against you (and show your "halo"):**

- Successfully complete the:
  - Batterer's treatment program
  - Alcohol or drug abuse counseling
  - Parenting class
- Comply with terms of probation or parole
- Comply with terms and conditions of criminal protective order or restraining orders
- No further acts of domestic violence

---

---

---

---

---

---

---

---

---

---

---

Slide 27

**Visitation and drug/alcohol testing...**

Court can order testing if preponderance of evidence shows "habitual, frequent, or continual use"

Can consider prior convictions in past 5 years

Test results are confidential & may be used only in custody/visitation hearing

Positive test alone does not determine custody (Fam. C. §3041.5)

Best interests of the child require consideration of all factors

---

---

---

---

---

---

---

---

---

---

---

Slide 28

**Children's wishes re parenting plan:**

- A child **14 years old or older** has the right to provide **their input** to the court regarding a new parenting plan or changes to an existing plan (Family Code section 3042 and CA Rules of Court 5.250)
- The court is to consider and give **due weight to the child's wishes if it is in the best interests of the child to do so.**

---

---

---

---

---

---

---

---

---

---

---

---

Slide 29

2. Attend the **PEACE** parenting class
- 3A. Attend **Family Court Services mediation**. If you get a written agreement, you're done! You'll have orders for FREE!

5. Go to court and have a judge make orders regarding custody and visitation

---

---

---

---

---

---

---

---

**How Family Court Services mediation works:**

- This is a **FREE** service of the court. Call **805-882-4667** to set the appointment.
- Currently, all sessions are conducted through the **Zoom** platform
- First**, you and the other parent will first speak individually and privately with the mediator
- Second**, the mediator may ask to speak privately with any child 6 years and older
- Finally**, you and the other parent will then meet together on Zoom with the mediator
- If there's a history of **domestic abuse**, it's possible to ask for separate meeting rooms, one for each parent. **Inform the office** of this when you make your appointment.

**Family Court Services, cont'd.**

- Agreement?** It's put in writing by the mediator, parties sign, judge signs, and then a copy comes in the mail to each parent. You have your court order!
- No agreement?** You or the other parent will need to prepare, file and serve legal papers to go to court for the judge to decide and make an order.

Slide 37

**Changing a visitation order is much easier!**

- The court will decide what is in the child's best interests
- No need to prove a change of circumstances

---

---

---

---

---

---

---

---

---

---

Slide 38

**Summary: To get FIRST custody order or change custody or visitation, you need:**

- 1. To have or start a court case in Santa Barbara County
- 2. To attend the required PEACE parenting class
- 3. To attend Family Court Services mediation
  - Sign an agreement, or,
  - if no agreement...then do legal papers
- 4. To go to court

---

---

---

---

---

---

---

---

---

---

Slide 39

**Summary: To CHANGE a custody order:**

**Prove a "change of circumstances":**  
Something really important relating to the children is now different from what was happening at the time the original order was made

**Remember!!!**  
Remember, if you cannot show a change of circumstances, then the court might not hear the rest of what you have to say!

**So, let's get to work...What option do YOU want?**

<p><b>Voluntary mediation</b></p> <p>STEPS:</p> <ol style="list-style-type: none"> <li>1. Have a case in court</li> <li>2. Attend the PEACE class</li> <li>3. Slide 41

**Going to court is NOT EASY!**

<ol style="list-style-type: none"> <li>1. Prepare many legal papers</li> <li>2. Pay a filing fee or try to qualify for fee waiver</li> <li>3. Need to get your papers personally served on the other side</li> </ol>	 <b>NOT like Judge Judy!</b>	<ol style="list-style-type: none"> <li>4. Need to prepare your case for hearing in front of a judge and in front of everyone else in the Zoom hearing!</li> <li>5. Need to accept the decision of the judge—a complete stranger who doesn't even know your kids</li> </ol>

---

---

---

---

---

---

---

---

---

Slide 42

**YOU NEED TO DECIDE: Hmmmm....**

**Is agreement possible in FREE voluntary mediation?**

- If **yes**: Work with the other parent to set the appointment and come to an agreement
- If **no**, do the necessary papers to set a court hearing. Remember, you will still do court-ordered mediation!
