APPLICATION FOR DISCHARGE FROM ACCOUNTABILITY
(Gov. Code §§ 25257–25259.95)

To the Honorable Presiding Judge of the Superior Court of Santa Barbara

The Court Executive Officer/Clerk of the Court and Chief Financial Officer respectfully request an order discharging from accountability certain court-ordered debt (including misdemeanor and infraction cases) deemed uncollectible.

1. Basis for Request

Pursuant to Government Code sections 25257–25259.95, the court may be relieved of accountability for the collection of delinquent court-ordered debt when:
- The debt is uncollectible, or
- The cost of collection exceeds the amount recoverable, or
- The likelihood of recovery is minimal.

2. Description of Debt

All accounts meet one or more of the statutory criteria for discharge:
- Include delinquent misdemeanor and infraction court-ordered debt.
- Have generally been delinquent for 5 or more years for infractions and for longer periods for misdemeanors, or otherwise meet discharge criteria.
- All accounts have been subjected to all reasonable and legally required collection efforts, including but not limited to referral to collection programs, tax intercepts, and other remedies authorized under Penal Code § 1463.007.

Attachment A contains the detailed list of accounts, including case number, type, date, and balance.

3. Determination

The Court administration has determined that further collection efforts are not cost-effective and the 22,798 accounts totaling $11,036,328.05 are appropriate for discharge from accountability pursuant to Government Code §§ 25257–25259.95. These accounts represent long-delinquent obligations for which continued collection efforts are not economically justified.

4. Effect of Discharge

This discharge relieves the Court of further responsibility for collection and does not release the debtor from liability.

Verification

I declare under penalty of perjury under the laws of the State of California that the foregoing is true and correct.
