## Choose Your Plan

Love your smile

### Delta Dental PPO™ & DeltaCare® USA\* Superior Court of California, County of Santa Barbara, PPO #16479 DeltaCare #76836

Your company lets you choose between two dental plans from Delta Dental. Either way, you'll get reliable dentist networks, affordable preventive care and a healthy smile that you'll love to show. Your options are:

#### Delta Dental PPO1

This preferred provider plan offers the convenience and flexibility of visiting any licensed dentist, anywhere. Covered services are paid based on a percentage — if, for example, fillings are covered at 80%, you pay the remaining 20%. Get the most plan value by choosing a Delta Dental PPO dentist.

#### DeltaCare USA

Under this HMO-type plan, you'll have your choice of skilled primary care dentists from the DeltaCare USA network. Select a primary care dentist, who will then coordinate any needed referrals to a specialist.<sup>2</sup> Covered services provided by your DeltaCare USA dentist have preset copayments (dollar amounts), which are listed in your plan booklet. There are no maximums or deductibles for covered services.<sup>3</sup>

<sup>&</sup>lt;sup>1</sup> In Texas, Delta Dental Insurance Company provides a dental provider organization (DPO) plan.

<sup>&</sup>lt;sup>2</sup> In WY, you do not need to select a primary care dentist, but you must visit a network dentist to receive benefits. In the following states, you can maximize your savings when you visit a network dentist, although you may visit any licensed dentist and receive out-of-network coverage: AK, CT, LA, ME, MS, MT, NC, ND, NH, OK, SD, VT. Refer to your plan booklet for details about your out-of-network benefits.

<sup>&</sup>lt;sup>3</sup> Refer to your plan booklet for more information about covered services, deductibles and maximums.

## Delta Dental PPO™

## Maximize your savings

Visit a dentist in the PPO¹ network to maximize your savings.² These dentists have agreed to reduced fees, and you won't get charged more than your expected share of the bill.³

#### Set up an online account

Get information about your plan anytime, anywhere by signing up for an online account at **deltadentalins.com**. This free service, available once your coverage kicks in, lets you check benefits and eligibility information, find a PPO dentist and more.

#### Check in without an ID card

You don't need a Delta Dental ID card when you visit the dentist. Just provide your name, birth date and enrollee ID or social security number. If your family members are covered under your plan, they will need your information. Prefer to take a paper or electronic ID card with you?

Simply log in to your account, where you can view or print your card with the click of a button.

#### Coordinate dual coverage

If you're covered under two plans, ask your dental office to include information about both plans with your claim, and we'll handle the rest.

#### Understand transition of care

Did you start on a dental treatment plan before your PPO coverage kicked in? Generally, multistage procedures are only covered under your current plan if treatment began after your plan's effective date of coverage.<sup>4</sup> You can find this date by logging in to your online account.

# Save with a PPO dentist

<sup>&</sup>lt;sup>1</sup> In Texas, Delta Dental Insurance Company provides a dental provider organization (DPO) plan.

<sup>&</sup>lt;sup>2</sup> You can still visit any licensed dentist, but your out-of-pocket costs may be higher if you choose a non-PPO dentist. Network dentists are paid contracted fees.

<sup>&</sup>lt;sup>3</sup> You are responsible for any applicable deductibles, coinsurance, amounts over plan maximums and charges for non-covered services.

<sup>&</sup>lt;sup>4</sup> Applies only to procedures covered under your plan. If you began treatment prior to your effective date of coverage, you or your prior carrier is responsible for any costs. Group- and state-specific exceptions may apply. If you are currently undergoing active orthodontic treatment, you may be eligible to continue treatment under Delta Dental PPO. Review your Evidence of Coverage, Summary Plan Description or Group Dental Service Contract for specific details about your plan.

Coverage is provided only for treatment started and completed after your effective date. <sup>4</sup> Orthodontic treatment may be an exception to this rule.
What if I started orthodontic treatment under my previous dental plan?	Typically, Delta Dental pays the remaining benefit not paid by your prior dental plan.	You are responsible for the copayments and fees subject to the provisions of your prior dental plan.
What happens if I need to see a specialist?	You do not need a referral from your dentist.	Contact your DeltaCare USA primary care dentist to coordinate your referral. <sup>5</sup>
What is my out-of-area coverage?	You can visit any licensed dentist.	You have a limited benefit to go out of network for emergency care.
How do I change my dentist?	You can change your dentist at any time without contacting us.	You can change your selected or assigned primary care dentist online or by telephone. <sup>6</sup>
Do I need to fill out claims?	If you visit a Delta Dental dentist, the dental office will file the claim for you. If you go to a non-Delta Dental dentist, you may have to submit the claim yourself.	There are generally no claim forms under your plan. <sup>7</sup>
